

The guesthouse is open from June 1st through September 15th and during this period the reception is open daily from 17:00-22:00. Outside these hours the staff can normally be reached by cell phone.

In the apartment on the upper floor, five double bedrooms are available. Two common WC's are on the upper floor as well as two showers.

On the lower floor, two family rooms are available, one accommodating up to 4-persons and one up to 6-persons. The whole lower floor can also be hired.

In both these rooms, accommodation is by bunk beds for two. Two WC's are on the lower floor, one for each sex. Two common showers are also on the lower floor.

Included in the accommodation are duvets, pillows and linen, but the guests will make up the beds themselves.

Spacious and fully equipped kitchens are located on both floors. Guests have access to these kitchens, dining rooms and sitting rooms where they can watch TV, listen to music, surf the

Accommodation

internet, read papers, magazines and books, or just simply enjoy the view. Guests should consider that no food service is available and the closest convenient store is 35 km away.
